

13757295 Crinkle Tissue Rainbow Heart Craft Kit

1. Peel the paper cover off of the adhesive foam.
2. Place the eraser end of a pencil (not included) onto the center of a tissue paper square. Wrap the tissue around the pencil and press the tissue onto the bottom outside edge of the adhesive foam. Start at the top with the light blue tissue paper, then move to red, orange, yellow, green, dark blue, purple, and light blue again on the bottom.
3. Insert the satin cording into the hole at the top of heart. Tie the ends together to make the hanger.
