

48/5514 Gingerbread House Photo Magnet Craft Kit

Please be sure to have adult supervision if using a glue gun for this craft.

1. Glue the foam peppermints to the foam roof icing. Glue the foam icing to the top of the foam house frame. Glue the foam chimney icing to the top of foam chimney.
2. Glue the checkered foam frame to the front of the foam house frame as shown. Glue the three foam trees and two foam candy canes to the front of the foam house frame. Glue the foam heart and decorative foam icing pieces to the foam house frame as shown.
3. Tape or glue (not included) your photo to the back of the frame. Glue the magnet to the back of the frame, making sure to check for the magnetic side before gluing in place. Allow time for your craft to dry.
