

48/6320 Simple Santa Ornament Craft Kit

1. Adhere the foam Santa head to the green foam backing, making sure the holes in the green foam backing and the top of the foam Santa hat line up.
2. Adhere the white foam circle, pink foam nose, and white foam hat brim on top of the foam Santa head as shown.
3. Adhere the white foam eyebrows and yellow foam star, three foam bells, or foam holly leaves and berries to the foam hat brim.
4. Thread the yellow ribbon through the hole in the ornament. Tie the ends together to create the hanger.
