

48/9764 Patriotic Firecracker Hat Craft Kit

1. Using scissors (not included), cut slits in the hat from the top of the red and white strips to the top of the blue band at the bottom of the hat.
2. Wrap the paper around your head to measure where to staple the ends of the paper together. Using a stapler (not included), staple the ends of the paper together.
3. Using a stapler (not included), staple two of the strips from either side of the hat together as shown.
4. Thread the white chenille stem through the paper strip loop. Twist the white chenille stems together. Twist the metallic tinsel stems to the end of the white chenille stem.
5. Use the adhesive foam shapes to decorate the blue band on the hat.
