

## 48/8628 Valentine Tree Thumbprint Poem Craft Kit

1. Use a pen or pencil (not included) to trace your hand on the brown sheet of foam and cut out with scissors (not included.) Allow time to dry.
2. Glue (not included) the foam hand to the top of the tree trunk as shown.
3. Press your finger or thumb on the red ink pad. Press your finger on the tree top. Press again next to that fingerprint to make a heart shape as shown below. Repeat for the rest of the fingerprint hearts. Allow time to dry.
4. Insert the cording into the die-cut hole at the top of the tree. Tie the two ends of the cording together to make a loop for the hanger.
